Disaster Management Training for Youth Red Cross Volunteers

Date : 11.01.2018 (Thursday)

Time: 02.30 pm to 07.30 pm

Venue : Vivekananda College, Mylapore, Chennai-600004

Introduction: Tamil Nadu has been battered by several calamities such as floods, droughts, cyclone, landslides and Tsunami. Disasters threaten sustainable economic development. It is imperative on the part of youth Red Cross volunteers that they should know about the disasters, First Aid care, Health care services during disaster, Rehabilitation of children, Disaster Management and Psycho social care.

Objective:

- To provide basic information about disaster in India.
- To understand the different aspects of mitigation and management.
- To acquire skills in disaster rehabilitation with particular reference to children.
- To understand the Role of youth Red Cross volunteers in Disaster Management.

Code of Conduct during the Disaster :

- The humanitarian imperative comes first.
- Aid is given regardless of race, creed or nationality of the recipients and without discrimination if any kind, on the basis of need alone.
- Aid will not be used to a particular political or religion stand point.
- We shall endeavor not to act as instruments of any Government’s Foreign policy.
- We shall respect individual culture and custom.
- We hold ourselves accountable to both those we seek to assist and those from whom we accept resources.
- In our information, publicity and advertising activities, we shall recognize disaster affected people as dignified humans. not hopeless objects.
