in the field of
Botany

In testimony whereof and by the authority vested in us, we do confer the
YOUNG SCIENTIST OF THE YEAR 2016 AWARD

On the occasion of 3rd International Conference on
Environment and Ecology held on 27th March, 2017
at St. Xavier's College, Ranchi, Jharkhand, India

This award has been instituted for a selected few accomplished persons enabling them to guide the human race living in a historic transitional period of burgeoning awareness of the conflict between human activities and environmental constraints, preparing to venture into a new millennium and to finally help save the fragile and endangered planet with the natural resources already overtaxed. The recipient of this award will also help in developing a neological and neocratic approach to environmental education for reducing the toll that the World citizenry exact in supporting daily life and the ever growing problems and exerting profound pressures on the Mother Earth.
