PROSPECTUS 2024 - 2025

Education is the manifestation of perfection already in man.

We want that education, by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet.

The end of all education, all training, should be man-making. The end and aim of all training is to make the man grow. The training by which the current and expression of will are brought under control and become fruitful, is called education.

SWAMI VIVEKANANDA
